ADAPTIVE RIDING PROGRAM

Riders participate in adaptive riding lessons that provide benefits in accordance with the individual's goals. Lessons are tailored to provide optimum experiences for each student. All instructors are PATH certified and use a variety of teaching methods to enhance participants' horsemanship skills as well as physical strength and cognitive abilities. Each lesson is assisted by a trained volunteer team, which lead the horse and walk alongside the participant to help stabilize and support as needed.

		12	11	8	14
MOUNTED LESSONS	Per Class	Session 1	Session 2	Session 3	Session 4
